

THE PROJECT RUBRIC

Every project is scored on these five, each worth 20 points. What follows is what EXCELLENT looks like — the standard, not the average.

CONCEPT	20 pts
EXCELLENT Clear understanding of unit concepts. Solves problems independently.	
BACKGROUND KNOWLEDGE	20 pts
EXCELLENT Clear understanding of previously learned material. Minimal or no reinforcement required.	
TECHNICAL KNOWLEDGE	20 pts
EXCELLENT Contains all requested requirements. A high level of accuracy has been achieved.	
PARTICIPATION / TEAMWORK	20 pts
EXCELLENT Work performed in a timely manner. On task all of the time. Works very well in the team.	
PRESENTATION	20 pts
EXCELLENT Graphics presented professionally. Technical drawings include all specifications. Visually appealing.
