

SHOP RULES

- 1 Cell phones during break and lunch only. Headphones occasionally, during individual project work.
- 2 Proper uniform and PPE are required for your grade.
- 3 No eating or drinking in shop common areas.
- 4 Respect the teacher, your classmates and the property. Keep the work environment clean.
- 5 Equipment is used only with permission. No writing on or cutting the tables.
- 6 Follow the end-of-day cleanup routine. Return things to their proper places, and clean for yourself and for others.
- 7 Stay in your assigned area. Leave only with verbal permission or a pass.
- 8 Computers are for educational purposes. If your work is done, ask for more or help a classmate.
- 9 Be on time — for class and for every project deadline.
- 10 It is your responsibility to ask questions before the assignment is due.

Always work to your full potential. Prepare to be challenged.

And the bonus rule: USE COMMON SENSE.
